

**AL DIYAFAH HIGH SCHOOL**

**Dear Parent,**

We are re-launching our Recyclables Collection Campaign from the 4<sup>th</sup> of October, 2015.

We will be collecting newspapers, magazines, books, batteries, aluminum cans, plastic and glass bottles.

The schedule for collection is as follows:

Sundays- Students from the Primary section

Thursdays - Students from the Secondary section

All collections will be recorded in the student's school diary by the teacher at the collection point.

This time, AlDiyafah is partnering with Apex Consolidated Exhibition Services, LLC – a premiere event management company – for a sustainability drive “I Pledge Green Gratitude- Inter School Challenge UAE 2015” from October 4th-November 4th.

During this time period students who collect 10kgs or above newspapers, magazines and old books, will get the opportunity to have their hand imprint on the Pledge Wall and a participation certificate.

These are great opportunities to get rewarded for an environmental sustainable cause. Further details about the “Pledge Wall” will be uploaded on the Communicator shortly. We look forward to your support to make this a success.
